Goals in life.

I'm going to tell you what I want to be. First I am going to tell you about my self, I have redish Strawberry Blond hair. I was born July 17, 1991, I'm 12 years old, I have greenish-blue eyes.

IF I had to choose a goal, I would have to be a Veterinarian. I have a lot of other things I want to be, do, like I want to go to college, and a doctor, but I would like to be a veterinarian. It would take a lot of years about 4 to 5 years. To be a vet.

I want to be ~~is~~ a veterinarian because, I want to help animals in need. I also love working with them. Also because I love them so much, I also work with them when I was little.

IF I cannot be a vet, I would like to go to college, and get a good Scholarship. IF that does not work, I would like to be a doctor, and help people in need.

IF that don't work ~~and~~ I do not know what I want to be, So I hoped you like my Goals. I told you my goals I have thought

Of. If I think of more I will put them down.
